Survey of Minerals to be found in Kappat Range of Hills passing in Gadag, Shirahatti and Mundargi Taluks in Dharwar District.

*Q.—637. Sri C. S. HULKOTI (Mundargi).—

Will the Government be pleased to state :—

(*a*) whether a detailed survey regarding the minerals, limestones and herbs and other materials to be found in Kappat Range of Hills passing in Gadag, Shirahatti and Mundargi Taluks in the District of Dharwar has been made either by the Mineral Department of State Government or by the Department of Union Government ;

(*b*) if so, whether any report about the same has been submitted to the Government ;

(*c*) whether the report has been published and made available for the public ;

(*d*) if the survey has not been made whether they would get the survey made early ?

A.—Sri MAQSOOD ALI KHAN (Deputy Minister for Mines and Geology).—

(*a*) A detailed survey for gold has been made by the Geological Survey of India. Regarding other minerals and limestones, the State Department of Mines and Geology has made only a preliminary survey.

No survey of the area for herbs and other materials has been made.

(*b*) Survey Report of the Geological Survey of India regarding Gold has been received by Government.

(*c*) No.

(*d*) The detailed survey for limstone and other minerals will be taken up by the State Department of Mines and Geology under its programme of surveys.

The question of surveying the area for herbs and other materials requires examination.

Sri C. S. HULKOTI.—May I know when a detailed survey regarding limestone and other minerals, will be taken up ?

Sri MAQSOOD ALI KHAN.—Limestone survey is being taken up. As regards other minerals it will take some time.

Sri C. S. HULKOTI.—Are the Government aware that manganese is available in abundance in that area ?

Sri MAQSOOD ALI KHAN.—There is some occurrence of manganese.

Sri SIDDAIAH KASHIMATH.—May I know what will be the percentage of limestone available as per the report with you ?

†Indicates that the remarks or speeches have not been revised by the member concerned

Sri MAQSOOD ALI KHAN.—The quality and quantity can be ascertained only when investigations are fully completed.

Sri C. J. MUCKANNAPPA.—May I know the gist of the report ?

Sri MAQSOOD ALI KHAN.—I am not able to give precisely the gist of the report. I may roughly say they have done mapping, and that samples taken from some places are good and some are not so good.

Sri C. S. HULKOTI.—May I know whether any survey has been conducted to assess the quality and quantity of herbs available ?

Sri MAQSOOD ALI KHAN.—So far as herbs are concerned, it does not come within the purview of the Mines Department. I think it is to be taken up by the Horticultural Department or the Forest Department.

ಶ್ರೀ ಸಿ. ಜೆ. ಮುಕ್ಕಣ್ಣಪ್ಪ.—ಕಪ್ಪಟಗುಡ್ಡದ ಬಳಿ ಚಿನ್ನ ಸಿಗುತ್ತದೆ ಎಂದು ಹಿಂದೆ ಸರ್ಕಾರದಲ್ಲಿದ್ದ ಆಗಿನ ಮಿನರಲ್ ಇಲಾಖಾ ಮಂತ್ರಿಗಳು ಅಪ್ಪಣೆ ಕೊಡಿಸಿದ್ದರು. ಈಗ ರಿಪೋರ್ಟು ಬಂದಿದೆ ಎಂದು ಹೇಳುತ್ತಾರೆ. ಅದರಂತೆ ಅಲ್ಲಿ ಸರ್ವೆ ಮಾಡಿದ್ದರೆ ಚಿನ್ನ ಏನಾದರೂ ಸಿಗುತ್ತದೆಯೇ, ಅದರ ಬಣ್ಣವೇನು ಮತ್ತು ಅದರ ವರ್ಕಬಿಲಿಟಿ ಏನು ?

Sri MAQSOOD ALI KHAN.—So far as workability of the mines is cocerned, they have stated that further investigation will have to be made.

Sri C. S. HULKOTI.—Will the report of the Committee be published ?

Sri MAQSOOD ALI KHAN.—The State Government receive the report from the Geological Surevey of India. So far as publication is concerned, it is their duty.

Sri C. S. HULKOTI.—Formerly the manganese mines were leased out. Now they are not taking it up. May I know the reason ?

Sri MAQSOOD ALI KHAN.—If I have understood the member correctly, he means that the lease holders are not mining the areas. If that is so, there is depression in the market and that is why they are not mining.

ಶ್ರೀ ಎ. ಜೆ. ದೊಡ್ಡಮೇಟಿ.—ಉತ್ತರದಲ್ಲಿ 'ಗಿಡ ಮೂಲಿಕೆ ಹಾಗೂ ಇತರ ವಸ್ತುಗಳ ಬಗ್ಗೆ ಸರ್ವೆ ನಡೆಸುವ ವಿಷಯವನ್ನು ಪರಿಶೀಲಿಸಬೇಕಾಗಿದೆ' ಎಂದು ಇದೆ. ಈ ಸರ್ವೆ ನಡೆಸುವ ವಿಷಯದಲ್ಲಿ ಪರಿಶೀಲನೆ ಮಾಡಬೇಕಾದುದು ಎಂದು ಮುಗಿಯುತ್ತದೆ.

Sri K. MALLAPPA (Minister for Industries and Commerce).—It is not the work of the Mines and Geology Department. The suggestion will be examined by the Forest Department.

In the first place, they have to find out whether there are herbs and whether they are such as to be put to use. The suggestion will be passed on to the Forest Department. They will be examined. What time they will take, I cannot say.

ಶ್ರೀ ಸಿ. ಜೆ. ದೊಡ್ಡಮೇಟಿ.—ಹಾಗಿದ್ದರೆ ಇದರ ಜವಾಬ್ದಾರಿಯನ್ನು ಫಾರೆಸ್ಟ್ ಇಲಾಖೆಯ ವರಿಗೇ ವಹಿಸಬಹುದಾಗಿತ್ತಲ್ಲ ?

(ಉತ್ತರವಿಲ್ಲ).

ಶ್ರೀ ಸಿ. ಜೆ. ಮುಕ್ಕಣ್ಣಪ್ಪ.—ಅವರ ಸರ್ವೇ ಪ್ರಕಾರ ಇದು ವರ್ಕಬಲ್ ಅಲ್ಲ ಎಂಬುದನ್ನು ಯಾವ ಅಧಾರದ ಮೇಲೆ ಅವರು ಅದನ್ನು ನಿರ್ಧಾರ ಮಾಡಿದರು ?

Sri K. MALLAPPA.—They have conducted investigation and the results of the investigation are that they are not workable. They say that it is not their final opinion but they want to conduct further investigation. They want to go still deeper and want to see whether at greater depths any ore of higher grade can be found. So far, the investigation has disclosed that the mine will not be workable.

Sri C. S. HULKOTI.—How many gold mines are there in the Kappat Range ?

Sri MAQSOOD ALI KHAN.—Three.

Sri C. S. HULKOTI.—With regard to what gold mine investigation has been made ?

Sri MAQSOOD ALI KHAN.—Investigation has been made with regard to the Mysore Gold Mine in Kappat Range. Regarding the other two gold mines, no investigation has been made. The Mysore Gold mines was found to be a bit promising and that is why investigation was taken up there.
